

# REFORMS IN THE FIELD OF SCIENCE AND INNOVATION: FACTORS AND RESULTS

Introduction. Uzbekistan pays close attention to the issues of strategy and prospects for innovative development, which is relevant in connection with the globalization of world economic connections. As the President of the Republic of Uzbekistan Sh.M. Mirziyoyev "An important condition for the dynamic development of the Republic of Uzbekistan is the accelerated introduction of modern innovative technologies in the economy, social and other spheres with the widespread use of science and technology". In Uzbekistan, the introduction of modern innovative ideas, developments and technologies is identified as one of the main sources for ensuring a quick and high-quality breakthrough for the country and joining the ranks of developed countries in the world economy.
